MAYOR'S MESSAGE

Dear Community Member:

It is hard to believe that it is May already and we are a month away from Duvall Days and just a few weeks away from opening our new baseball field located at Big Rock Sport Park. I am told by the weather folks that we should have great weather for the Grand Opening on May 17th from 11:00 a.m. to 3:00 p.m. Little League is planning their "season-opener" game on the new field for 1:00 p.m. that day.

With respect to Duvall Days, I am hearing some great things on how it is coming together. Just this morning I was talking with Roger Jones of the Duvall Rotary Club and he is expecting 200 cars at this year's car show. In addition to the Big Rock Car Show, there will be a number of other great activities such as a Kiddie Parade, Grand Parade, Valley Art Show, music, food booths and more! Please see the enclosed insert for more details.

On a different note, I want to thank Duvall City Council Member Vicki Edwards and all of her co-workers at Microsoft for helping to arrange the Microsoft Connector bus. They are currently running three buses in the morning and three in the afternoon. The bus leaves from the Holy Innocent Church off of Cherry Valley Road. I would encourage those that work at Microsoft to catch the bus. With a wireless connection and having someone else drive you to work, how can you not take it?

An update on the Main Street Project: We have completed the design and preparation of the construction plans and we are getting set to put the project out to bid by June. The city has had a number of meetings with the local business owners to keep them informed of our progress. Anyone interested in learning about the project can log into the city's website, www.duvallwa.gov. Click on the orange traffic sign, and

you will be taken to the homepage for the Main Street project. This site will be updated as the project progresses. Construction is expected to start in July with the project finishing before Duvall Days in 2009. If you have any questions, please contact the Public Works Director, Steven Leniszewski at 425-788-3434 or email him at steven.leniszewski@duvallwa.gov. Doreen Booth, our Economic Development Director, is working on the public relations side of the project. She can

be reached at 425-844-3085, or e-mail her at doreen.booth@duvallwa.gov.

Enjoying spring in the Snoqualmie Valley is easy by getting out and visiting one of our local parks or stopping by the Duvall Farmers Market. This year the market will be on Thursdays starting on June 5th.

Thank you for making Duvall a great place to live and work. I will be at CC Espresso on May 17th from 9:00 a.m.-10:30 a.m. for anyone that wishes to meet with me to discuss any issues on their mind.

Sincerely,
Will Ibershof

Fun is what it's all about in these two marvelous murder mysteries. "Remains to be Seen", written by Lee Mueller, is a fast paced spoof of several different shows that invites audience participation, while "Mirth and Mayhem" delivers just that in a spooky comedy, written by Peter Walker, set to surprise in a haunted house. It all adds up to an evening of laughter and suspense that can't be missed!

Advance tickets for are available through www.cascadecommunitytheatre.org. Tickets are \$5 adults and \$3 seniors and students if purchased in advance. For more information, please visit info@cascadecommunitytheatre.org.

**SHORT COURSE ON LOCAL PLANNING
THURSDAY, MAY 29TH FROM 6-9 P.M.
IN THE MEETING ROOM OF
THE DUVALL FIRE DEPARTMENT**

The public is encouraged to attend the Local Planning Workshop on Thursday, May 29th from 6-9 p.m. in the meeting room of the Duvall Fire Department. The workshop will cover the legal basis of planning in Washington State, as well as explain the basics of comprehensive planning, plan implementation and parks planning, and discuss the role of the planning commission. This free workshop will be presented by the Washington State Department of Community Trade and Economic Development and the Planning Association of Washington. Please RSVP by May 22nd as space is limited. For more details, please contact Amy Bright at 425-788-2779 ext. 3 or email her at amy.bright@duvallwa.gov.
